

RICERCA DI ARTICOLI DI RIVISTE TRAMITE BANCHE DATI

Andate sul sito della Biblioteca dell'Accademia di architettura (<https://biblio.arc.usi.ch>)

Cliccate sull'icona "BANCHE DATI"

Troverete la lista delle banche dati principali

The screenshot shows the library website interface. At the top, there is a navigation bar with the university and library names, a search bar, and a user account menu. Below this, the main heading is "Banche dati principali". To the left is a sidebar menu with options like "Conoscere le collezioni", "Approfondire la ricerca", and "Biblioteche digitali". The main content area features three database cards: "Art & Architecture Source", "Avery index", and "Urdadoc". Each card includes a circular image and a brief description of the database's content. Below these cards is a yellow button labeled "Tutte le banche dati". At the bottom, there are three more database cards: "RSWB@plus", "JSTOR", and "Design and Applied Arts Index (DAAI)".

Cliccate per esempio su "AVERY INDEX"

This screenshot is identical to the one above, but with a red arrow pointing directly to the "Avery index" database card. The arrow starts from the top center of the page and points down to the circular image of the Avery index card. The rest of the page content remains the same.

The screenshot shows the EBSCOhost search interface. At the top, there is a search bar with the text "Searching Avery Index to Architectural Periodicals" and a "Search" button. Below the search bar are three "AND" search fields, each with a "Select a Field (optional)" dropdown and a "Clear" button. The "Search Options" section is visible, containing several filters and expanders. Under "Search Modes and Expanders", the "Boolean/Phrase" mode is selected. Under "Apply related words", the "Apply equivalent subjects" checkbox is checked. Under "Limit your results", there are checkboxes for "Linked Full Text", "Peer Reviewed", and "Publication". There are also input fields for "Date Published" (Start month, Start year, End month, End year) and "Author". A "Physical Description" dropdown menu is open, showing options like "Aerial Images", "Axonometrics", and "Bibliographies".

Inserite **le parole chiave** (titolo articolo, autore, architetto, etc) nel campo di ricerca e **clickate sull'icona "Search"**

This screenshot is identical to the one above, but with the search bar containing the text "frank lloyd wright fallingwater". A red arrow points to the search bar, and a mouse cursor is hovering over the "Search" button, indicating the next step in the process.
